What is a Regional Planning Advisory Committee or RPAC?

The Regional Planning Advisory Committees (RPACs) advise the Mono County Board of Supervisors, Planning Commission, Local Transportation Commission and Community Development Department on the implementation and updates to the Mono County General Plan, applicable area plans and local-interest projects. In addition, the RPAC serves as a community forum and information clearinghouse on planning-related issues. The Long Valley RPAC includes the communities of Long Valley, McGee Creek, Crowley Lake, Aspen Springs and Sunny Slopes.
